MAKE HANDWASHING A FUN ACTIVITY instead of a chore. Parents and children should wash their hands:

- AFTER sneezing, coughing, or nose blowing
- AFTER shaking someone’s hand or hugging someone
- AFTER taking out the trash
- WHEN your hands are dirty
- AFTER touching crowded surfaces, especially those in public places
- AFTER changing a child’s diaper
- AFTER petting an animal or cleaning up animal waste
- AFTER touching a computer’s keyboard
- AFTER using the bathroom
- BEFORE and AFTER treating a wound
- BEFORE preparing or eating food
- AFTER coming in contact with a sick person
- AFTER coming in contact with a sick person
- AFTER changing a child’s diaper
- AFTER using the bathroom
